

We Can't Thank You Enough... But We're Going to Try

On Thanksgiving, we are thankful to you, our compassionate donors, who stand with Holocaust survivors in need, and bring them lifesaving aid.

*“Your support
prolongs my life...”*

- Chaim Z., Lithuania

*Born 1928, Chaim Z. has been part of
The Survivor Mitzvah Project's
Holocaust Survivor Aid Program
since 2008.*

Your support keeps survivors walking, seeing, hearing, and hoping.

Tatiana Semenovna is new to our program. She just received much needed hearing aids thanks to one of our kind and compassionate donors.

*“Dear Friends from The Survivor Mitzvah Project,
I, Tatiana Semenovna, a widow and pensioner,
am 86 years old. Lately, my hearing has
deteriorated greatly. It is difficult to
communicate when you can't hear. My pension is
\$80 a month and I am not able to afford hearing
aids. Thanks to your gift, I can now hear well,
communicate with my friends and neighbors,
and feel active and good about myself. Sincere
thanks to you for your care of elderly people,
who need your support.”*

Thanksgiving is a Time of Togetherness

Thanks to Your Support, Sisters Raisa & Galina Efimovna Can Be Together!

You have provided Raisa, born in 1926, with two eye operations so she can still sew aprons, embroider flowers, and even look after her "younger" sister, Galina, 89, who recently had gallbladder and eye surgeries, then broke her arm.

Raisa and Galina Efimovna – Moldova 2019

Raisa and Galina were born into a poor family. When the War broke out, they ran, but the Nazis kept coming. Raisa writes, "We were captured by the Nazis. We were starving, but forced to do hard labor."

Thanks to your compassionate support, Raisa and Galina can afford the needed medical attention that prolongs their lives and their treasured relationship.

This Thanksgiving, please make a special donation to continue providing heating fuel, nutritious food and medical care to Holocaust survivors in desperate need.

At The Survivor Mitzvah Project, we work to ensure that no Holocaust survivor who has endured the darkest days of human history will ever be hungry, cold, neglected or forgotten again. We are thankful to have welcomed hundreds of new survivors to our program this year.

Only with your continuing commitment, can we help them all.
